- + Venous ablation medical and cosmetic
- + Wound care

We keep you connected

Our team of experts works closely with you to deliver seamless, coordinated and convenient care to your patients, always keeping you up-to-date on their progress. It's our goal to keep your patients close to home, but if they require more advanced treatment, we can easily transition them to the OhioHealth care sites with the specialized equipment and expertise they need.

Referring a patient to an OhioHealth Vascular Clinic:

To help us prepare for your patient's arrival, please provide:

- + An updated medication list
- + Pertinent office notes
- + Test results from any non-OhioHealth facility
- + Patient vitals
